

REMARKS

Counsel for Applicants wishes to thank the Examiner for the allowance of Claims 21 -26.

Counsel for Applicants additionally wishes to thank the Examiner for the Examiner's helpful suggestion to amend Claim 1 at line 6 to change "any data" to "the data" in order to overcome the rejection of Claims 1-12 under 35 U.S.C. §112, ¶2. Claim 1 has been amended as suggested, and Claims 1-12 are now deemed to be allowable also.

This Amendment further re-presents dependent Claims 13 – 20 comprising original species claims that were previously withdrawn from consideration pursuant to the Restriction Requirement of March 28, 2005 and Applicant's Election of April 27, 2005. Claims 13 – 20 depend directly or indirectly from Claim 1, which was indicated by the Examiner to be generic in the Restriction Requirement of March 28, 2005. Claims 13 -20 are directed to different species, and incorporate all of the limitations of generic Claim 1. Accordingly, since generic Claim 1 is now deemed allowable, it is respectfully submitted that Applicants are entitled to the additional original dependent species Claims 13 - 20 re-presented herein.

Applicants have cancelled the other previously non-elected and withdrawn Claims 27 - 40 in order to place this case in condition for allowance.

In view of the foregoing, this application is now deemed to be in condition for allowance, and early allowance of all Claims 1 - 26 is respectfully requested.

Dated: September 18, 2006

Respectfully Submitted,
